**The more complete your RFQ's information,  
the faster we can turn around your quote!**

**Here's a helpful checklist of items to always include:**

- Quantity
- Finish Sizes (we'll add appropriate allowances)
- Print (if applicable)
- Material Grade
- Material Specification
- Heat Treat
- Testing & Minimum Requirements Allowed
- Surface Finish (as forged, 500 ra, 250 rms etc.)
- Dimensional Tolerance (if we are supplying "to size")
- Nondestructive Testing (UT, MT, PT)
- Allowance Required (machined to size, machined with allowance, forged with allowance to guarantee clean up)

**Please include the following information so we can  
offer your project the best solution(s):**

- Bid
- Deadlines
- Product(s) End Use(s)/Industry(ies)
- Include RUSH Delivery in RFQ If Needed
- One Time/Repeating Project (lot sizes & EAU is helpful if repeatable)
